

On behalf of everyone involved in The Duke of Edinburgh's Award we want to say a HUGE thank you for your continued support of our Charity and our work.

Over **211,000 young people** started their DofE last year.

Because of your help, young people are developing the **skills** they need for the rest of their lives; making themselves more **employable**, developing **a passion for the outdoors** and our environment, and creating memories that will shape their futures.

Because of your help, our **communities** are **£37million** better off every year as our young people and our volunteers give up their time to help others through the DofE.

There's no doubt, the Duke of Edinburgh's Award makes the world a better place. And you make this possible. **Thank you.**

"Through the DofE I have made friends, gained qualifications, learnt to be a better mother and learnt to be a better person. I have made my mother proud. Thank you." **Emily**

"I am very grateful for all the opportunities I have had, and the chance to change my life through the DofE." **Sam**

"The DofE has presented many opportunities including my current placement at IBM. I am very grateful to everyone who continues to support the DofE; indirectly you have assisted in my progress to becoming the young adult I am today." **Doyin**

"Thank you to everyone for supporting the DofE and giving me the chance to follow a different path, to find out what I can truly achieve." **Tyrone**

Thank you!
