Programme ideas: Residential section

When completing each section of your DofE, you should develop a programme which is specific and relevant to you.

This sheet gives you some ideas of things you could do or could use as a starting point to create a Residential of your own.

You can find more information at [DofE.org/residential](https://www.dofe.org/residential) and there is a range of exciting opportunities to help you complete this section at [DofE.org/finder](https://www.dofe.org/finder).

It's your choice...

Going on a residential gives you the chance to learn

how to work with people from different backgrounds and build confidence living in new environments. There are loads of exciting possibilities and opportunities, so choose something which you will find really fulfilling.

Help with planning

You can use the programme planner on the website to plan your activity with the support of your DofE Leader.

Before you commit to a residential it is important to have approval from your DofE Manager to ensure that it meets all the criteria (see [DofE.org/residential](https://www.dofe.org/residential) for the requirements).
