Writing Assessor Reports

Thank you for your time and commitment offering to assess a section of a participant’s Duke of Edinburgh’s Award programme.

We appreciate your assistance and hope that you will enjoy your involvement, helping a participant through the section and to help them get the most from the activities they undertake.

As the Assessor you…

• Can help the young person understand what they want to get out of it and help them set their goals.
• Can help the participant with advice, training and supervision as needed.
• Can offer support and encouragement.
• Could do a final assessment at the end – discussing their experiences, how they developed and reached their goals.
• Cannot be related to the participant.
• Should be qualified/trained for the activity the young person is undertaking.

The Assessor’s Report

The Assessor’s Report, which is written following the successful completion of a DofE programme’s section, is a written record of the section and should capture the participant’s memorable and major achievements.

Submitting a report

There are two ways to submit an Assessor Report...

You can complete the sectional Assessor’s Report Card, found in a participant’s Welcome Pack.

Alternatively you can add your report directly into the participant’s online eDofE account via DofE.org/assessor. All you need is the following:

• The participant’s eDofE ID number.
• Their Award level (Bronze, Silver or Gold)
• The section you are assessing them for (for example the Volunteering section).

Your comments are automatically sent to the participant’s DofE Leader for approval before being added to the participant’s account.

We ask for your email address and phone number to enable their DofE Leader to contact you should they wish to discuss your assessment with you.

The Assessor’s Report

When the participant has completed the minimum time requirements and achieved their goals, the DoE requires a written report which is a record of their progress. This is called an Assessor’s Report.

As an Assessor you are responsible for writing a participant’s Assessor Report. The Report makes up part of the evidence which is used to sign off a participant’s section.

What you should write

The feedback within the Assessor’s Report must be personal to the individual and usually made up of several short paragraphs.

It is not acceptable to simply say “he/she satisfactorily completed the Volunteering section”.

At the end of the Assessor’s Report it can be a good time to suggest that the participant progresses to the next level of the DofE or, if they have achieved their Gold Award, to volunteer with a local DofE group.

Below are some example Assessor Reports that have been submitted by DofE Assessors.

Chandni excelled whilst volunteering as a peer educator.

She has a personable nature and was able to talk to the younger kids on their level and really engaged them.

From July 2016 to February 2017 her confidence seemed to grow and she developed her own style of explaining our key messages.

She has been a fantastic ambassador for the charity and we have been delighted to have her on board.

A stand out moment for us was when her talk encouraged a young person to confide in her, Chandni handled it with great maturity and took the appropriate steps to refer the young person. This experience will be great to enhance Chandni’s CV or lead on to many different career paths and we hope she continues to stay involved with the charity. Well done Chandni.

Pete has volunteered with us from January 2015 to January 2016. He proved to be an enthusiastic and well-motivated volunteer.

He successfully completed all the tasks he has taken on, which have developed in responsibility over time. Pete was popular with the team and customers alike.

He has most certainly grown in confidence during his placement and has been a huge asset to the charity.

Thank you Pete for your support and commitment and we would love to have you back in the future!
