Doing your DofE Programme

Are you:

- An Explorer Scout?
- A Scout Network member?
- Up for a challenge?

Then why not do your DofE through the Scouts?

What is the DofE?

There are three levels of DofE programme; Bronze, Silver and Gold.

To achieve your Award, you must set goals and work towards them in the following sections; Volunteering, Skills, Physical, Expedition and in addition for Gold level only, Residential.

When can I start?

For all DofE Awards you must be an Explorer Scout or Scout Network member and then meet the minimum age requirements.

Bronze - be in the academic year in which you turn 14.

Silver - be in the academic year in which you turn 15.

Gold - you must be 16.

What do I need to do?

You will need to agree on an activity for each section and set some goals with your Leader. This might include Scouting activities such as hiking, taking part in staged performances or being an Explorer Scout Young Leader. It may also include hobbies such as dancing, playing a sport or learning a musical instrument. You're probably already doing some activities that could count. It is up to you whether you decide to start something as a beginner or work on an existing interest – as long as you are developing and having fun!

How long will it take?

The duration of each section can be seen on the following pages (it varies between levels). You must complete an hour a week (or equivalent; such as two hours every two weeks) of your volunteering, skill and physical activity for its duration. All DofE programmes must be completed by your 25th birthday.

But what about my Scouting awards?

There's more good news! Time spent on completing your DofE programme also counts towards your top awards in Scouting. The top awards in Scouting have been carefully aligned with the DofE meaning that if you are working towards one you may as well work towards the other. Information about how the DofE awards and Scouting awards align can be found on the following pages, with more detail also available at

members.scouts.org.uk/reachthetop.

If you choose to work towards your Gold DofE Award you can work towards your Queen's Scout Award (QSA) and cross-credit all of the relevant sections. There are just a few more requirements you'll need to complete for the QSA and then you'll have achieved both awards! Both award programmes are highly respected by potential employers, colleges and universities, so the Awards are great additions to your CV! Find out more about QSA at **scouts.org.uk/QSA**.

Ready to get started?

The first step is to decide which level of DofE programme you want to start at and then you need to talk to your Leader or DofE Adviser who can register you for the DofE. If you also plan to work towards your QSA, you should speak to your leaders.

Once registered for DofE, you will receive an eDofE account and a Welcome Pack. It's important that you log into eDofE and keep your account up-to-date, as this is where you will submit your evidence and your Award once it is completed.

From there you will decide on your activities, goals and who your Assessors will be. Then all that's left is to have fun developing new skills and making memories.
