

## DofE Wales Gifts in Wills campaign

As part of the DofE Wales fundraising strategy we are launching a new **Gifts in Wills** campaign to help create a legacy for future generations of young people to take part in DofE programmes in Wales.

CJCH Solicitors, a South Wales company with over 30 years' experience in personal and corporate legal service are offering their very generous support to help us with our inaugural **Gifts in Wills** campaign.

The **Gift in Wills** proposal will help to ensure that you have taken care of your loved ones.

Should you also choose to leave a gift to DofE Wales you will be providing a legacy to help more young people from all backgrounds to achieve essential skills for work and life.

### How do I get involved?

In return for a donation to DofE Wales, CJCH Solicitors will draw up a free basic will, basic mirror will or help with any codicils.

There is also an opportunity to update your existing will. As you know life often changes and solicitors advise that you should review your will every five years and after any major changes in your life, e.g.:

- getting separated or divorced
- getting married (this cancels any will you made before)
- having a child
- moving house
- if the executor named in your will dies.

You may be aware that the average cost of making a will with a solicitor is (approximately £150 +VAT for a basic single Will, £250 +VAT for a pair of basic mirror wills. The average cost of a codicil is £80 +VAT).

CJCH Solicitors are donating their expertise and time for free, but would suggest a minimum donation to the DofE of:

- £100 for a basic single will or codicil
- £160 for a pair of basic mirror wills

Proceeding with your **Gift in Wills** is simple, contact- CJCH Solicitors by:

- **E mail:** privateclients@cjch.co.uk
- **Telephone:** 0333 231 6405

CJCH Solicitors have offices in Barry, Bridgend, Blackwood and Cardiff. Even if you don't live near these locations most wills can be done remotely on the telephone or by email.

### Thank you!

DofE Wales understands that making a will is a very private decision and that loved ones will come first but you may consider including a gift to the DofE in Wales after you have made provision for family and friends.

As volunteers who are passionate about the development of young people in the great outdoors and their communities you will be more than aware that there are far too many young people not getting the amazing self-development opportunity of taking part in the DofE. Your legacy could lift many more young people's aspirations and dreams.
