

Invite for former students to take part in research

Hello

We hope this message finds you well.

As you know, many of our students (including yourself!) do their DofE and our **school / centre** has been invited to help with some research about it. The project is trying to determine **what young people with special needs and disabilities gain from doing their DofE**.

As part of this, we would be grateful if you could spare **a few minutes to complete a short survey** for young people who have done their DofE. Your feedback is invaluable and will be greatly appreciated.

The survey is being conducted by Chrysalis Research, an independent research company, on behalf of the DofE. The survey is **anonymous and completely confidential**.

Please click on the link below to get started.

If you have any questions about the survey please get in touch with Chrysalis Research on 0117 230 9933 or email catherine.newman@chrysalisresearch.co.uk.

Thank you very much in advance!
