Appointed by:	DofE/AAP Manager
Key contacts:	DofE/AAP Manager or Expedition Supervisors, DofE Co-ordinators, DofE Leaders

Summary and main purpose

The Duke of Edinburgh's Award (DofE) is a UK charity that makes a difference to young people's lives and prepares them for life and work. Over 450,000 young people per year from every possible background take part in the DofE programme to broaden their horizons, develop their leadership skills, learn to work with others, volunteer in their local communities, increase their employability, and prove to themselves they can succeed at a serious challenge. All qualifying expeditions must be assessed by a competent adult who is approved by the Licensed Organisation/Approved Activity Provider and accredited by The Duke of Edinburgh's Award.

Assessors are the guardians of the DofE's high standards; they protect the interests of the DofE and ensure that the 20 conditions of the Expedition section are fulfilled.

The Assessor is a member of a partnership consisting of the participants, the Supervisor and the Assessor, formed to bring about a successful outcome to the team's expedition. The role of the Assessor is to confirm that the 20 conditions of the Expedition section have been met. There is no testing, no marking, either the 20 conditions have been fulfilled or they have not.

At Bronze level, the Supervisor may also act as an Assessor and may have been involved in the training of the team. At Silver level, Assessors should not have been involved in any training or instruction of the team. At Gold level, the Assessor must be independent of your DofE group and not associated with the team in any way.

The key tasks of the role are to:

- KT 1 Ensure that the 20 conditions of the Expedition section are fulfilled by the expedition team.
- KT 2 Ensure that expedition team meet the aim of the Expedition section.
- KT 3 Provide, as appropriate, local expedition area information to teams to help them decide how best to meet the 20 conditions.
- KT 4 Be a fair, impartial and positive person who adds to the expedition experience and supports the team and sees a successful outcome.
- KT 5 Protect the interests of the DofE.

These are achieved by following these steps:

- Receive expedition information from the team.
- Make initial contact with the team and review the expedition plan.
- Meet the team in the expedition area and complete the pre-expedition check.
- Meet with the team en-route.
- Debrief the team and sign off the expedition by completing and submitting an Assessor's Report for each member of the expedition team.
- To receive the expedition presentation after the expedition (if requested).

Other considerations

DofE Expedition Assessors must undertake the e-induction and Introduction to the Expedition Section and Roles modules online and attend the DofE Expedition Assessor and Supervisor Training Course. Following the completion of this course, they must also be endorsed by a Licensed Organisation/Approved Activity Provider before being accredited by a DofE Regional/Country Office.

Criminal Records Check

Expedition Assessors will be in unsupervised contact with young people as part of their role. This is considered 'Regulated Activity' and a criminal records disclosure is therefore required to become an Accredited Expedition Assessor. LOs and AAPs will confirm all safeguarding checks and competency requirements are met before officially endorsing Expedition Assessor applications.

- In England and Wales, this is a Disclosure & Barring Service (DBS) Check.
- In Scotland, this is a Protecting Vulnerable Group Schemes (PVG) Check.
- In Northern Ireland, this is an Access Northern Ireland (Access NI) Check.
