## Project

### Skills section

### Create copies of Commonwealth flags through an artistic medium of your choice.

Each week, choose a different Commonwealth country ([full list here](#)), and create a copy of the flag using any medium you would like. There are 54 Commonwealth countries, so this activity could be used for a 3, 6 or 12 month section depending on how many countries you want to include and how long your chosen craft takes.

There's a template programme log on the next page for you to track your progress.

### Arts and crafts project

Create a copy of the flags of the Commonwealth through whichever medium that you want to use. It could be the same medium each week, or you could use different ones for different flags.

Examples include:

- Cross-stitch / embroidery / knitting
- Textiles / quilting
- Collage / digital photo montage / mosaic
- Fabric painting
- Painting / drawing

Be creative! You can use any medium.

### Evidence

Upload a photo of your finished flags to eDofE. Keep a log of what progress you made towards them each week. You could share photos on social media and include any feedback in your evidence.
