## DOFE LEARNING PATHWAYS

DofE learning pathways are designed to help prepare people undertaking a DofE role with what they need to know and do to be effective in their roles.

Each pathway has a number of bite-sized nuggets to work through and an estimated time to complete. Some pathways also have a 90 mins facilitated discussion led by a DofE trainer.

If you have previously attended the 'Intro to the DofE' or 'EASTC' courses, you do not have to repeat the equivalent Delivering the DofE or Expedition Assessor and Supervisor pathways.

**Manager and Assistant Manager training** is delivered by your local DofE Country Office.

2.5 hours
