Proud to be DofE Recommended Retailers

Welcome to the DofE

**Exclusive discounts and
products inside**

**Save at least 15% with
your DofE Card**

We work with brands and businesses that can support young people doing their DofE.

These partnerships:

- ➔ Help young people work towards their Award.
- ➔ Reduce the cost of doing a DofE programme.
- ➔ Generate donations and royalties that go back to the DofE charity to help more young people start and achieve our Awards.

KIT LIST

What have you got? What can you borrow? What do you need to buy?

Our Expedition Kit List is a **GUIDE** to the items that may be needed for an expedition.

We only recommend items that are suitable for DofE expeditions and are value for money.

There is no obligation to buy the specific items we recommend.

However, the DofE charity receives a royalty from sales of DofE Recommended Kit, which helps to support our work with young people.

KIT RESOURCES

Download for free - share and print our resources from
[DofE.org/shop/expedition-kit-resources](https://www.dofe.org/shop/expedition-kit-resources)

We have a range of expedition resources available to support you and your group when preparing for their expedition.

Examples include:

- Navigation guides.
- Posters and leaflets with kit hints and tips.
- Meal planner worksheet.
- Stove safety guidance.

Rucksacks

- Look for self-adjusting back systems – they should fit comfortably and securely on your back.
- A top lid with zip pockets provides easy access and safety.
- Ergonomic padded hip belts are shaped for optimum load transfer and comfort.
- Look for a detachable rain cover, included in the base of the rucksack, to keep the bag dry and aid visibility in low light.

Sleeping Bags and Mats

- Choose a sleeping bag with a compression stuff sack to reduce the pack size.
- Pack your sleeping bag inside your rucksack and never strap it to the outside, to avoid it getting wet or lost.
- A mummy-shaped sleeping bag with a hood helps keep warm air close to you.
- Your sleeping mat should be designed for outdoor use – yoga/roll mats do not have the same durability or insulation.

Walking Boots

- Choose walking boots, not shoes, for ankle support and stability.
- A resistant heel and toe cap protects against rough terrain.
- Waterproof, breathable membrane keeps feet dry.
- Rubber soles improve grip walking both up and downhill.

Expedition Food

- Balanced, nutritional meals.
- Sturdy packaging.

Cooking and First Aid

- Use lightweight and durable cookware, e.g. plastic or titanium.
- Consider collapsible bowls and mugs to save space.
- Choose a sturdy, leak-proof water bottle.
- Don't forget blister plasters, tweezers and any necessary medications.

CRAGHOPPERS

Technical Clothing

- For warmth, add an insulating, quick-drying fleece as your mid layer.
- Choose items with functional pockets and zips.
- Technical T-shirts keep you dry and cool.
- Wear comfortable lightweight trousers – no jeans!

Waterproofs

- Choose a lightweight jacket which is waterproof (not shower proof) and breathable.
- Bring waterproof over trousers as you are outdoors in all weathers.
- Reflective detailing is a useful safety feature.

Walking Socks

- Walking socks are an essential – standard cotton socks do not protect feet from blisters.
- Padding provides extra cushioning to key comfort areas.
- Elasticated fit prevents slippage and reduces rubbing.

Official DofE Clothing is the only DofE-branded clothing that donates back to the DofE charity.

- ➔ Get quality hoodies, T-shirts and more, with prices starting **from £9.99**.
- ➔ **20% of each purchase** goes to help more young people to do their DofE.
- ➔ All items are made to order and can be personalised with your name, role, school or group **from only £3**.

We offer discounts on DofE Clothing orders of 10 or more items.

- Discounts apply on the same product, but can be a mix of gender, size, and colours.
- Personalise and add your own school or group logo.
- Account set-up and invoicing.

Contact the DofE team at Serious Sport on 01256 398633 or email DofE@SeriousSport.co.uk to discuss your requirements.
