LIMITS**

# **WORKSHOP AIM**

We're aiming to highlight the benefits of young people completing their award through a third sector, community, or uniformed organisation.

We want to challenge the idea that these groups are just overflows for schools and learn from each other on how we can develop a DofE programme that attracts young people.

**YOUTH  
WITHOUT  
LIMITS**

# **WORKSHOP OBJECTIVE**

The objective of the workshop is to leave you enthused and confident that you have a programme that is exciting and valuable for your young people.
